

ONE-PAGER TEMPLATE

Introduction

Describe the reason why you implemented *CHANGE* and the composition of your community team.

Methods

Describe the steps taken to gather data (e.g., surveys, focus groups, and walkability audits).

Current understanding

Describe the issues at hand (i.e., development of policy and evaluation strategies).

Agency Overview

Provide a brief description of your organization, including mission, vision, goals, objectives, and key partners (including funding sources).

Sectors

Describe the sectors you researched. Be careful to “scrub” the descriptions so sources of input are not easily identifiable, and you protect the anonymity of your data sources.

Results

Share your data and the conclusions you have drawn in the community team.

Summary and Conclusion

Include next steps, recommendations, and any requests for data or support from other organizations.

Tip! Include photographs, examples, graphics, and other visual aids to generate excitement and interest about your work.

Please refer to the Looking Beyond section of the CHANGE Action Guide for further explanation of how to utilize the one-pager template shown here.
